THE BRITISH INSTITUTE OF PHILOSOPHY

The Institute has no endowments, and its work, which includes Lecture Courses and Study Circles in the various Centres as well as the conduct of the Journal, is carried out on the most economical lines, but it cannot be expected that a liberal service be provided entirely from revenue derived from subscriptions at £1 1s. per annum.

Donations, of any amount, for the current year will be greatly appreciated by the Council.

All sympathizers with the Institute's work are invited to become members.
